

ST JOHN'S ANGELS

Be part of it...

“I love my friends and teachers at St John's. They made me who I am today and I like who I am.”

Rebecca, Yr 6

“Please consider becoming a St John's Angel. You will be making such an important contribution to the lives of these children. Words cannot adequately describe the value of this support.”

Sally Quirk, Headteacher

“I think St John's is the best school in the whole wide world. My friends, teachers and lessons are brilliant.”

Owen, Yr 4

♥ What makes St John's special?

At St John's something great is happening. If you've been here or have a child here we're sure you'll know what we mean.

St John's is a small, diverse and thriving school where children experience a fantastic education. But it's more than that – a community of all ages and backgrounds, where all are valued and all have a role to play.

Together we aspire to go beyond government requirements. We want to give all children opportunities to discover more about the world and themselves, enabling them to be strong, caring members of our community.

♥ Why be a part of it?

Becoming a St John's Angel is a way of showing your support for St John's work and values. It provides a wonderful encouragement to pupils, carers and staff. That in itself makes a tremendous difference.

Your financial donations also make it possible to provide additional equipment, services and exceptional learning activities for all children.

St John's is about partnership, involvement and community values – both local and global. We are thinking big, aiming to make the world a better place by inspiring a generation of parents, carers and children.

♥ Who can be a St John's Angel?

Everyone! Parents, relatives, former pupils, local businesses and friends. Anyone who wants to see this family school continue to provide an inspirational start in life for local children can become an Angel.

♥ How much can I give?

No amount is too small and you can give monthly or annually. You can be confident that your gift will be put to good use and you will receive regular newsletters to inform you exactly where the money is going. You will also be invited to attend an annual Angels event where

the head teacher will give details of what we have been able to achieve and future projects.

And – because it goes through a charitable fund – for every pound you give we can also claim a further amount from the government (if you tick the Gift Aid box on the form to confirm that you pay tax in the UK).
